RESOURCE GUIDES

for community builders and
network leaders

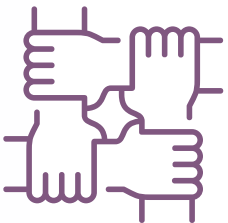

[NETWORKWEAVER.ORG](https://networkweaver.org)

A treasure trove of blogs, stories, guides, and tools for coordinating and organizing networks – founded by our #1 supporter, the world-famous June Holley.

[THE COMMUNITY CANVAS](#)

A practical framework for building community through identities, experiences, and structures. By our friends at the [Together Institute](#) (they're also creating an updated version!)

[THE MULTI-STAKEHOLDER PARTNERSHIPS GUIDE](#)

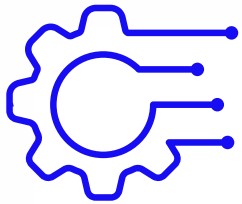

A comprehensive guide with theories, steps, tools, and cases on collaborative partnerships for complex challenges. More partnerships than networks, but there's a ton of overlap.

for community builders and
network leaders

LIBERATING STRUCTURES

An indispensable set of tools to facilitate collaboration between teams, communities, and networks. If you've never heard of it, you're missing out!

CONVERGE BOOK & TOOLS

The new book on Impact Networks is all the craze. The Converge network has also collated a mini toolkit for impact networks – from creating a charter to using technology.

RECIPES FOR WELLBEING

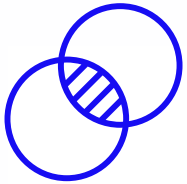

So much of social change is about relationships and inner health. The Recipes team has done a fantastic job curating a set of practices for individual and community wellbeing.

network leaders

CO-CREATIVE TOOLS

A variety of frameworks and models to use in collaborative impact and systems change.

CIVIL SOCIETY TOOLBOX

Do It Yourself Toolkit for fostering your civic organization, with themes like communication, decisions, roles, and learning.

ENGAGE: FUNDING NETWORKS

A useful resource for funders on how to support and leverage networks, developed by the Rockefeller Foundation

SESSION LAB

Online library of 1,000+ community-curated facilitation tools, with a free build-your-own-workshop function.
